TERMS. To regular customers and well-known houses of established credit, ALL BILLS ARE DUE JUNE 1ST, 1913, without regard to date of purchase, or a discount of one per cent. per month on unexpired time when paid before maturity. **Clover, Timothy, Grass Seeds, Onion Setts, Seed Grain, Seed Potatoes, Feeding Stuffs, and such articles as are quoted in our Weekly Trade List, are SPOT NET CASH, without any discount whatever.** Any claims for allowance, errors or credits must be made within ten days after arrival of goods, or they will not be considered. Overdue accounts must be paid prior to shipping further orders.

All goods ordered or shipped by our **Montreal** or **Winnipeg Branches are payable at our Head Office, Toronto.**

TRADE DISCOUNTS FROM RETAIL PRICES. Orders taken from Rennie's Seed Annual for 1913 will be charged (to merchants only) at the following rates of discount from retail prices:

WEEKLY TRADE PRICE LIST. We issue each week throughout the Seed Season, card quotations for Clover, Timothy, Grass Seeds, Seed Grain, Onion Setts, etc., and all fluctuating varieties of Seeds, which will be mailed to merchants upon application.

SEEDS BY MAIL. Seeds will be sent by mail when desired. As they require special care in packing, **five cents per pound** is charged, which includes postage.

PACKING AND SHIPPING. Bags, Boxes, and Barrels, necessary for safe transportation of goods, will be furnished at value and are not returnable. With every order shipping instructions should be given. When no route is designated we use our best judgment, but in no case do we assume any responsibility for freight shipments after goods are delivered to Transportation Companies in GOOD ORDER. Should any loss occur by reason of accidents or delays, claim should be made upon transportation Company at once.

CONDITIONS OF SALE. We give no warranty, expressed or implied, as to description, purity, productiveness, or any other matter of any seeds we send out, and we will not be in any way responsible for the crop. If the purchaser does not accept the goods on these terms they are at once to be returned.

GOVERNMENT SEED ACT. **Grades must be Branded.** The Government Seed Act for 1912 requires that all Clovers, Timothy, and Alfalfa Seed must be branded according to the grade numbers 1, 2 or 3 quality standard set by the Government. The sale of these seeds is prohibited unless grades are branded as above.

DISPLAY CABINET
for SEEDS IN PACKETS

TO MERCHANTS who sell our handsome colored Seed Packets, we loan our DISPLAY CABINET (see accompanying illustration). These Cabinets should be carefully stored when not in use, as they are left with the merchant from year to year, to be used only in the display of our papered seeds. The seed packets are neatly packed in a box, each variety in separate parcels, and forwarded CHARGES PREPAID. On arrival the Cabinet should be filled with the packets and displayed on the counter. The remaining packets may be left in the box and kept clean, away from dirt and dust, ready to be placed in the Cabinet as required. The packets are sold at 5 cents each. List of the varieties we carry in our colored packets will be found on the opposite page. The price to merchants is $2.00 per 100 of these packets.

This Cabinet is 27 inches high and 19 inches wide—a convenient size for standing on the counter. It holds 265 Packets (200 Vegetables and 65 Flowers).

Merchants should give our Seeds a prominent place **during the selling season** in order to secure the **best possible returns.**

RENNIE'S SEEDS are Government Standard. Every packet bears the date. Filled with Fresh Seeds. **SURE GROWERS.**

GOVERNMENT STANDARD SEEDS
IN LITHOGRAPHED 5 CENT PACKAGES

Trade Price, $2.00 per 100 Packets

The Seed Control Act for 1912 respecting the sale of these Papered Seeds, requires that each Packet bear the date of the year in which it was filled. Merchants will find our Papered Seeds always comply with the Government Seed Act and cost less than others of equal quality on same terms and conditions.

Merchants who run short of any of the varieties during the season can have them duplicated by return mail, postage paid. We cannot supply other varieties than the following in Colored Lithographic Packets. Varieties in heavy type are leading varieties.
